Arrival Information

The gates into the festival village open at 9am

The car park also opens at 9am

The main festival arena opens at 11am with the first bands on at 11.35am

Please do not arrive to the car park before 9am – the car park entrances are close to a major highway network and motorway, and this may result in a queue impacting the highway network.

Please ensure that your window sticker is clearly secured to your windscreen at least 2 miles away from the festival site.

IMPORTANT: there are different entrances for parking and for taxis or dropping off / collecting.

PARKING: Parking is only available to purchase in ADVANCE of the festival and physical parking passes are being sent VIA POST. Please follow the instructions on your car parking pass carefully so you can approach the festival site in the correct route to correspond with the colour of car park that you have booked.

Please do not follow any online postcodes, or ones from information for previous years. Postcodes only lead to a postal area and not an exact point. For this reason, no postcodes have been issued this year for any of our car parks. We recommend the use of the what3words app for pinpointing exact locations.

Please note – Strictly no vehicles are to be left in the car park overnight.

Car park passes will go off sale on Tuesday 20th May at 23.59

– if you are intending on using the car park at the event, please ensure that you book your parking ticket before then as no car parking will be available to be purchased on the day.

NATIONAL COACHES: Looking for the easiest way to get here? Book your journey with our returning travel partner [Big Green Coach](#).

SHUTTLE BUS: Since last year we have spent a lot of time looking into our shuttle operation to see how we can get you guys back into the city centre as quickly as possible so you can either get some well-earned rest or to carry on the party!

To achieve this the shuttle bus will now drop you off at the bottom of the Headrow / on Eastgate (what3words - ///maps.trend.erase) this means the buses can drop and get back to Temple Newsam a lot quicker than the old route and collect the next lot of people from the festival.

The new drop-off point is close to all of the afterparty venues and a short walk back to Leeds Train Station.

We have also done a complete overhaul of how the shuttle queues are managed at Temple Newsam to ensure that we can safely load as many buses as possible and speed up the process.

Please note - The buses will still pick up at Sovereign Street to take you to the festival, as that location has the necessary space for queuing buses and people.

The running times are as below:

Sovereign Street to the festival – 8.45am – 3pm

Festival to Eastgate (what3words - ///maps.trend.erase) – 8pm – 1am

If you are yet to book your shuttle bus tickets or car park tickets – these are still on-sale and you can grab them from the link below, if you are planning on using either of these services we HIGHLY advise booking in advance, scroll along to the 'travel and car parking tab' - <https://slamdunk.seetickets.com/event/slam-dunk-festival-2025-north/temple-newsam/3155074#op1>

There will be enough shuttles to facilitate everyone that wishes to use them.

There will be three Info and Security Points across the site should you have any questions about your visit to Slam Dunk Festival, you will also be able to look at the set times and map from these points to help you plan your day. Should you have any safety concerns during your visit, please alert a member of security immediately.

Keeping your belongings safe: In the current climate of phone thefts at rock events, we have to accept that we will be targeted. As always, we do our absolute best to try and prevent this. If you suspect that your phone has been stolen or if you see anyone acting suspiciously, please do not approach the suspect yourself and seek security assistance immediately. If you are in the pit or close enough to the barrier please let security aware. If you are not near pit security, please leave the area immediately and visit one of our INFO & SECURITY points to report it. The faster phone theft is reported the faster our security teams can act in catching the culprits.

We have security constantly patrolling the festival sites, alongside plain clothes security undercover in the crowd. We will be carrying out random searches on the way out if we find we are being affected by pick-pockets on the day of the festival. Please do not be offended if you are asked, we must do everything we can to stop them. Please help us catch the people who prey on fans of our music.

Last year thanks to our customers reporting suspected phone thefts quickly and effectively by using the instructions above we can confirm that we caught some of the culprits onsite and they were later prosecuted. We'd like to thank you for working with us on this matter and ask you to be as vigilant this year should we find ourselves being targeted again.

Safe Gigs For Women will also have a stall onsite should you have any safety concerns or need somewhere to have a chat, have a breather or take some time for yourself– they are located in the Festival Village when you arrive.

For those of you that are bringing children may we please remind you that we are at heart a music festival and we will not have any entertainment specifically aimed for children. There will be plain wristbands available at INFO AND SECURITY POINT 1 (in the festival village) for you to write contact details on for little ones!

Leaving the festival

The bars will be open across the festival until 11pm and the closing party DJ set in the Monster Energy tent until 11pm so if you can, stick around and make the most of your evening to try and avoid the initial queues when trying to exit the festival.

For everyone travelling by public transport, being picked up, or getting on a shuttle bus please exit the festival through the main pedestrian exit – this is for your own safety to avoid the busy roundabout and traffic leaving site.

Shuttle Bus

Shuttle buses will run from the shuttle drop off and pick up point from 8pm – 1am and tickets can be booked from here or they can be purchased on the day from the box office (this is situated next to the shuttle bus

queue) please ensure you have a ticket BEFORE joining the queue

The pick-up and drop off location (for both taxis and friends / family) is in Go Ape car park – please ensure to get dropped off / picked up from here ONLY. Anyone getting picked up or waiting to pick someone up on Temple Newsam road will impact the traffic flow coming in and out of the event for everyone else trying to enter / exit the site.
